Parent/Guardian Consent

General Consent Statement

Brigade activities are organized according to set standards and guidelines for activity management including supervision, training, equipment, and health matters.

During a typical brigade activity, the applicant (your child/ward) may participate in activities, supervised by his/her leader, which may include, but are not limited to:

- Foot drill
- Active games (physical activities that may involve balls, running, skipping, jumping, tossing, etc.)
- Swimming at a public swimming facility that provides lifeguards
- Use of equipment (for science experiments, crafts, games, cooking, etc.)
- Active outdoor activities in the community (fundraising, walking tours, skating, nature walks, etc.)
- Excursions to local points of interest (museums, parks, fire halls, etc.)

In all activities there is an element of risk. While The Boys' and Girls' Christian Brigade Canada and the applicant's (your child's/ward's) leader(s) take reasonable precautions to minimize these risks, this is no guarantee against injury or loss.

Some of the risks associated with typical activities include (but are not limited to): scrapes, cuts or bruises; sprains, strains or possible broken bones; illness from known or unknown sources; theft or loss of possessions; unforeseen injuries from activities, equipment or actions of the applicant (your child/ward), other participants or other people, including negligent actions.

You will occasionally need to provide the applicant (your child/ward) with equipment or clothing appropriate for the activity.

From time to time, unscreened adults who are not members may assist with the supervision of the applicant's (your child's/ward's) company activities under the direction of a brigade leader. Our procedures do not permit a child to be left alone with an unscreened adult.

Some activities may take place in the community. These may be within walking distance, or may require a different drop-off or pick-up location. When activity locations require alternate drop-off or pick-up or other transportation arrangements, the leader will provide you with the details.

From time to time the applicant (your child/ward) may attend activities or events (e.g., camps, trips, or special outings or events) that would be in addition to the activities outlined above. Your permission will be required for these specific activities/events. If this occurs the applicant's (your child's/ward's) company leader will send home additional information about the planned activity or event.

We protect and respect your privacy.

Your personal information is used only for the purposes stated on or indicated by the form and will be kept confidential.
